

Progress Lists

All Birds

Below is a selection of lists of Charadriiformes species grouped by their barcoding progress;

Charadriiformes species yet to be barcoded

1. *Actophilornis albinucha*
2. *Burhinus recurvirostris*
3. *Burhinus senegalensis*
4. *Charadrius forbesi*
5. *Charadrius javanicus*
6. *Charadrius peronii*
7. *Charadrius placidus*
8. *Charadrius sanctaehelenae*
9. *Charadrius thoracicus*
10. *Cladorhynchus leucocephalus*
11. *Cursorius coromandelicus*
12. *Cursorius cursor*
13. *Cursorius rufus*
14. *Gallinago andina*
15. *Gallinago jamesoni*
16. *Gallinago macrodactyla*
17. *Gallinago nemoricola*
18. *Gallinago nobilis*
19. *Gallinago solitaria*
20. *Gallinago stricklandii*
21. *Glareola cinerea*
22. *Glareola lactea*
23. *Glareola nuchalis*
24. *Glareola ocularis*
25. *Hydrophasianus chirurgus*
26. *Ibidorhyncha struthersii*
27. *Larus atlanticus*
28. *Larus audouinii*
29. *Larus barabensis*

30. *Larus brunnicephalus*
31. *Larus fuliginosus*
32. *Larus hemprichii*
33. *Larus ichthyaetus*
34. *Larus leucophthalmus*
35. *Larus livens*
36. *Larus pacificus*
37. *Larus scopulinus*
38. *Metopidius indicus*
39. *Microparra capensis*
40. *Numenius borealis*
41. *Numenius tenuirostris*
42. *Procelsterna albivitta*
43. *Prosobonia cancellata*
44. *Rhinoptilus bitorquatus*
45. *Rhinoptilus cinctus*
46. *Rynchops albicollis*
47. *Rynchops flavirostris*
48. *Scolopax bukidnonensis*
49. *Scolopax celebensis*
50. *Scolopax rochussenii*
51. *Scolopax saturata*
52. *Smutsornis africanus*
53. *Sterna acuticauda*
54. *Sterna aurantia*
55. *Sterna repressa*
56. *Sterna virgata*
57. *Sternula balaenarum*
58. *Sternula lorata*
59. *Sternula saundersi*
60. *Thalasseus bernsteini*
61. *Tringa guttifer*
62. *Vanellus albiceps*
63. *Vanellus cinereus*
64. *Vanellus crassirostris*
65. *Vanellus duvaucelii*
66. *Vanellus gregarius*
67. *Vanellus leucurus*
68. *Vanellus lugubris*
69. *Vanellus macropterus*
70. *Vanellus malabaricus*
71. *Vanellus melanocephalus*
72. *Vanellus melanopterus*
73. *Vanellus superciliosus*
