

## Progress Lists

### All Birds

Below is a selection of lists of Piciformes species grouped by their barcoding progress;

#### Piciformes species yet to be barcoded

---

1. *Andigena cucullata*
2. *Andigena hypoglauca*
3. *Andigena laminirostris*
4. *Andigena nigrirostris*
5. *Aulacorhynchus albivitta*
6. *Aulacorhynchus atrogularis*
7. *Aulacorhynchus caeruleogularis*
8. *Aulacorhynchus coeruleicinctis*
9. *Aulacorhynchus cognatus*
10. *Aulacorhynchus huallagae*
11. *Aulacorhynchus lautus*
12. *Aulacorhynchus sulcatus*
13. *Aulacorhynchus wagleri*
14. *Baillonius bailloni*
15. *Blythipicus pyrrhotis*
16. *Blythipicus rubiginosus*
17. *Calorhamphus fuliginosus*
18. *Campephilus imperialis*
19. *Campephilus principalis*
20. *Campephilus robustus*
21. *Campethera abingoni*
22. *Campethera bennettii*
23. *Campethera maculosa*
24. *Campethera mombassica*
25. *Campethera notata*
26. *Campethera nubica*
27. *Campethera punctuligera*
28. *Campethera scriptoricauda*
29. *Campethera tullbergi*

30. *Capito brunneipectus*
31. *Capito hypoleucus*
32. *Capito maculicoronatus*
33. *Capito quinticolor*
34. *Capito squamatus*
35. *Capito wallacei*
36. *Celeus loricatus*
37. *Chrysocolaptes festivus*
38. *Colaptes fernandinae*
39. *Dendrocopos assimilis*
40. *Dendrocopos atratus*
41. *Dendrocopos auriceps*
42. *Dendrocopos cathpharius*
43. *Dendrocopos darjellensis*
44. *Dendrocopos doraе*
45. *Dendrocopos himalayensis*
46. *Dendrocopos leucopterus*
47. *Dendrocopos macei*
48. *Dendrocopos moluccensis*
49. *Dendrocopos temminckii*
50. *Dendropicos abyssinicus*
51. *Dendropicos elachus*
52. *Dendropicos gabonensis*
53. *Dendropicos goertae*
54. *Dendropicos lugubris*
55. *Dendropicos namaquus*
56. *Dendropicos obsoletus*
57. *Dendropicos poecilolaemus*
58. *Dendropicos pyrrhogaster*
59. *Dendropicos spodocephalus*
60. *Dendropicos stierlingi*
61. *Dendropicos xantholophus*
62. *Dinopium benghalense*
63. *Dinopium javanense*
64. *Dinopium rafflesii*
65. *Dinopium shorii*
66. *Dryocopus galeatus*
67. *Dryocopus hodgei*
68. *Dryocopus schulzi*
69. *Eubucco richardsoni*
70. *Eubucco tucinkae*
71. *Eubucco versicolor*
72. *Gecinulus grantia*
73. *Gecinulus viridis*

74. *Gymnobucco bonapartei*
75. *Gymnobucco calvus*
76. *Gymnobucco peli*
77. *Gymnobucco sladeni*
78. *Hemicircus canente*
79. *Hemicircus concretus*
80. *Indicator archipelagicus*
81. *Indicator conirostris*
82. *Indicator indicator*
83. *Indicator meliphilus*
84. *Indicator minor*
85. *Indicator pumilio*
86. *Indicator willcocksii*
87. *Indicator xanthonotus*
88. *Jynx ruficollis*
89. *Lybius bidentatus*
90. *Lybius chaplini*
91. *Lybius dubius*
92. *Lybius guifsobalito*
93. *Lybius leucocephalus*
94. *Lybius melanopterus*
95. *Lybius minor*
96. *Lybius rolleti*
97. *Lybius rubrifacies*
98. *Lybius torquatus*
99. *Lybius undatus*
100. *Lybius vieilloti*
101. *Megalaima armillaris*
102. *Megalaima asiatica*
103. *Megalaima australis*
104. *Megalaima chrysopogon*
105. *Megalaima corvina*
106. *Megalaima eximia*
107. *Megalaima faiostriata*
108. *Megalaima flavifrons*
109. *Megalaima franklinii*
110. *Megalaima henricii*
111. *Megalaima incognita*
112. *Megalaima javensis*
113. *Megalaima lagrandieri*
114. *Megalaima lineata*
115. *Megalaima monticola*
116. *Megalaima mystacophanos*
117. *Megalaima oorti*

118. *Megalaima pulcherrima*
119. *Megalaima rafflesii*
120. *Megalaima rubricapillus*
121. *Megalaima virens*
122. *Megalaima viridis*
123. *Megalaima zeylanica*
124. *Meiglyptes jugularis*
125. *Meiglyptes tristis*
126. *Melanerpes chrysauchen*
127. *Melanerpes flavifrons*
128. *Melanerpes herminieri*
129. *Melanerpes hoffmannii*
130. *Melanerpes pulcher*
131. *Melanerpes rubricapillus*
132. *Melichneutes robustus*
133. *Melignomon eisentrauti*
134. *Melignomon zenkeri*
135. *Mulleripicus fulvus*
136. *Mulleripicus pulverulentus*
137. *Picoides stricklandi*
138. *Piculus auricularis*
139. *Piculus aurulentus*
140. *Piculus callopterus*
141. *Piculus leucolaemus*
142. *Piculus litae*
143. *Piculus simplex*
144. *Picumnus albosquamatus*
145. *Picumnus castelnau*
146. *Picumnus cinnamomeus*
147. *Picumnus dorbignyanus*
148. *Picumnus fulvescens*
149. *Picumnus fuscus*
150. *Picumnus granadensis*
151. *Picumnus innominatus*
152. *Picumnus limae*
153. *Picumnus minutissimus*
154. *Picumnus nigropunctatus*
155. *Picumnus olivaceus*
156. *Picumnus pumilus*
157. *Picumnus rufiventris*
158. *Picumnus sclateri*
159. *Picumnus squamulatus*
160. *Picumnus steindachneri*
161. *Picumnus subtilis*

162. *Picumnus varzeae*
163. *Picus erythropygius*
164. *Picus mentalis*
165. *Picus puniceus*
166. *Picus rabieri*
167. *Picus squamatus*
168. *Picus viridanus*
169. *Picus vittatus*
170. *Pogoniulus chrysoconus*
171. *Pogoniulus coryphaeus*
172. *Pogoniulus leucomystax*
173. *Pogoniulus pusillus*
174. *Pogoniulus scolopaceus*
175. *Pogoniulus simplex*
176. *Prodotiscus insignis*
177. *Prodotiscus regulus*
178. *Prodotiscus zambesiae*
179. *Pteroglossus azara*
180. *Pteroglossus beauharnaesii*
181. *Pteroglossus frantzii*
182. *Pteroglossus inscriptus*
183. *Pteroglossus pluricinctus*
184. *Ramphastos brevis*
185. *Reinwardtipicus validus*
186. *Sasia africana*
187. *Selenidera gouldii*
188. *Selenidera nattereri*
189. *Selenidera reinwardtii*
190. *Selenidera spectabilis*
191. *Semnornis ramphastinus*
192. *Stactolaema anchietae*
193. *Stactolaema leucotis*
194. *Stactolaema olivacea*
195. *Stactolaema whytii*
196. *Trachyphonus darnaudii*
197. *Trachyphonus erythrocephalus*
198. *Trachyphonus margaritatus*
199. *Trachyphonus purpuratus*
200. *Trachyphonus vaillantii*
201. *Tricholaema diademata*
202. *Tricholaema frontata*
203. *Tricholaema hirsuta*
204. *Tricholaema lacrymosa*
205. *Tricholaema leucomelas*

- 206. *Tricholaema melanocephala*
- 207. *Veniliornis affinis*
- 208. *Veniliornis chocoensis*
- 209. *Veniliornis dignus*
- 210. *Veniliornis kirkii*
- 211. *Veniliornis maculifrons*
- 212. *Xiphidiopicus percussus*
